

KATHERINE DUFFIELD HILL

MSHP Candidate May 2018 | University of Texas School of Architecture
507-210-8866 | Katherine.Hill@utexas.edu

OBJECTIVE

To encourage public interaction with historic structures, spaces and ideas, with an emphasis on American industrialism and infrastructure history.

EDUCATION

UNIVERSITY OF TEXAS SCHOOL OF ARCHITECTURE

Austin, TX

M.S. of Historic Preservation Candidate, Expected graduation May 2018

- Completed a National Register Nomination for a 1929 Rustic Style cottage, and assisted the Austin Parks Department in applying for historic zoning.
- Created Historic American Building Survey documentation of a 1929 parks residence in Carlsbad National Park.
- Crafted a design proposal for an interpretive installation of a colonial well site in Santa Elena, Mexico.
- Prepared the conditions report, historical summary and accompanying CAD drawings of a 1939 State Hospital property.

UNIVERSITY OF MONTANA

Missoula, MT

Bachelor of Anthropology, May 2012

- Completed coursework in artifact analysis, archaeological theory and cultural resource management.
- Conducted cultural resource survey in Havre, Montana and Region de Aysén, Patagonia.
- Served as a Teaching Assistant during the field excavation of a Pit House site in Bridge River, British Columbia, completing soil analysis, stratigraphic and site mapping, and assisting in artifact collection.

WORK EXPERIENCE

University of Texas School of Architecture

Austin, TX

Visual Resources Collection Teaching Assistant

August 2017 – May 2018

- Served as a primary point of contact for students, staff and faculty, tracking and following up on patron requests.
- Developed and taught workshops on introductory and intermediate level photography topics.
- Updated the previous Mail Chimp e-newsletter in order to better promote Visual Resource Collection services and resources, and utilized newsletter data to better understand student image interests.
- Acted as staff photographer, documenting UTSOA events, lectures, and exhibitions for internal use and broader publication.

Minnesota Historical Society

Minneapolis, MN

Building Condition Assessment Intern

May 2017 – August 2017

- Reviewed as-built blueprints, repair records and other archival materials in order to determine the age and condition of building components.
- Worked with the Historic Properties Project Manager to complete Facilities Condition Assessments for Historic structures managed by the Minnesota Historical Society.
- Assisted in cataloging and organizing Architectural materials for accession, deaccession and storage.

University of Texas Department of Anthropology

Austin, TX

Cultures in Contact Teaching Assistant

Jan 2017 – May 2017

- Evaluated and graded examinations, assignments and papers, and record grades.
- Maintained weekly office hours, meeting with students to help them understand course material.

Robert B Hill Company

Minneapolis, MN

Pricing System Designer

Feb 2016 – May 2016

- Evaluated historic billing records to determine past trends for both wholesale and retail customers.
- Designed and implemented an automated pricing system for the inventory software.
